## Cancer Research Race for Life

We are very excited to tell you that as a school we are taking part in Cancer Research's Race for life. Cancer is such an awful illness that has impacted so many of our lives so I know you will agree that this is a very worthy cause.

We will be holding our race on 26<sup>th</sup> May 2021 (weather permitting)

We have set up a fundraising page which can be found below and as a school we are hoping the raise £1000. Children will also be bringing home sponsor forms.
