SUMMER TERM - Friday 7<sup>th</sup> May

## Cancer Research Race for Life

The children will be bringing home sponsor forms for the race today. Please return these to school before Monday 24<sup>th</sup> May. We will be holding our race on 26<sup>th</sup> May 2021 (weather permitting)

We have also set up a fundraising page which can be found below and as a school we are hoping to raise £1000.

Any donations will be gratefully received.

Thank you for your support.

## First Forgiveness

Congratulations to our year 3 children who made their First Forgiveness this morning.

It was a lovely service and the children really reflected on the importance of the occasion.

## Uniform

A few parents have mentioned that they have uniforms that – because of COVID - have hardly been worn before their children have outgrown it.

We all know how much uniforms cost so if you would like to donate any good condition items, school will arrange a 'swap shop' once we have enough donations.

## Five day walking challenge

Halton Council is working with Living Streets, the UK charity behind successful Walk To School projects.

One of the ways to help reduce congestion outside school and to stay healthy is to walk to school. This year we will be holding a Walk To School week during the week 17<sup>th</sup> - 21<sup>st</sup> May.

There will be activities for the children to complete in class and prizes for children who complete the challenge.
