SUMMER TERM - Friday 16th June

Sponsored Reading Challenge

We hope by now that all children are well underway with their **sponsored reading challenge**. We understand that times are difficult for some at the moment but all sponsored amounts however little or large will contribute to the grand total. If the children want to enter the additional chance to **win a prize** they should bring in their records of **how many minutes** they have read with their sponsor money before

Friday 23rd June.

Arabic Music Workshop

Year 4 and 5 had an excellent afternoon on **Tuesday** learning all about **Arabic** music and even had a go at **dancing**! A great session and so informative; pictures and videos are on Facebook.

Online Safety

This week's safety advice is what you need to know about **Anime**. This can often look harmless as it is an animation but often contains inappropriate content and themes. Visit **National Online Safety - All Guides** for more advice and information.

Stay And Learn

Just a reminder that we are having **Stay and Learn** sessions throughout the school this term. Parents can come into school to see what your child is learning and get ideas on how to support them at home. Thank you so much to all the parents who have attended so far. The next one is for **Year 5** on **Wednesday 21st June** at **2.45pm**.

Assembly

Year 2 will be leading the assembly on **Friday 23rd June** and all parents are invited to come to watch. We look forward to seeing you then.
