## Attendance awards

Well done for whole school attendance! We have improved from 89% last year to 93.5% this year. Thank you for all your efforts in helping school improve this. Without you working with us this wouldn't happen.

## Goodbye Message From Mrs Wild

Dear Parents,

After 35 happy years teaching at St Martin's I have decided to take early retirement so that I can spend more time with my family, travel, see friends and enjoy some long walks with my dog Alfie! I would like to take this opportunity to thank you for your support over the years.

It has been a privilege to teach your children and to share in their learning journeys.

I have loved getting to know the families in our school community and in recent years to teach the children of my former pupils! As PE lead I have especially enjoyed seeing children achieve their potential in many sports. We have so many talented athletes in our school!

People always comment on how friendly St Martin's is and that's because it really is like a family. I have been lucky enough to form life-long friendships with staff members and of course not many people can say they've job shared with their sister! I am one of the few members of staff who can say they've worked for all three head teachers of our school, Mr Barr, Mr Hallman and more recently Mrs Ming. All three have steered St Martin's to be a happy, successful school and I know under Mrs Ming's leadership it will continue to be so.

I will miss working with the children each day but I am looking forward to supporting the school as a supply teacher so if you see me around please stop and say hello!

Warm Regards Lesley Wild
