## Message from Mrs Ming

A very good week this week. We were visited by an external **Attendance Officer**, who was very impressed with the improvements that have been made. She spoke to pupils who knew exactly why it is important to come to school and spoke so nicely about what makes **St Martin's special**. I would just like to say a big thank you to all our families who have supported us in improving attendance.

When we return we begin the final half term of this academic year and it will be BUSY - we have lots to look forward to including: sports day, the year 6 performance, the summer fayre and more. There are also a number of trips coming up. It is also really important for **Year 1** and **Year 4** to be in every day during the first week back as they will be completing statutory testing for Phonics and timestables. Please practice as much as you are able to during the break.
